

Daryl E. Tombs

Paramedic

AMR

Corning, NY

End of Service: 01/16/2021

Circumstances: COVID-19

Daryl's Contributions in Life:

Daryl was a CC-EMTP with Corning Ambulance Service and then AMR for 30 years. He worked for the Steuben County Sheriffs' Department and Steuben County 911 as a dispatcher. He worked for Finger Lakes Ambulance Service, and as Lead paramedic through AMR for Watkins Glen International. He also volunteered for Bath Ambulance Corp. for 25 years. He was an instructor in many fields and relished his role as a mentor. He loved to sing off-key and make up his own lyrics when he forgot the words. His favorite thing to do in his spare time was to go to estate and yard sales with his wife, whom he met while working as a Paramedic. He loved spending time with his grandchildren, drinking Dunkin Donuts coffee, and having an occasional Coors Lite.
