

Marleen Fairchild

Paramedic

Kingman EMS

Kingman, KS

End of Service: 11/17/2022

Circumstances: Cancer

Marleen's Contributions in Life:

Marleen was instrumental in the birth and growth of EMS in the state of Kansas beginning in the 1970's and is responsible for the current EMS in her hometown community of Kingman, KS. She educated hundreds of people at local colleges and universities. She was a retired Physician Assistant, Registered Nurse, and Paramedic with a total of 50 years of experience as a health care professional. Marleen was the first female EMS Director for Kingman County and served as board member on the Kansas State Board of EMS. She believed in the value of education and spreading her knowledge to those around her at a local and state level.
