End of Service: 11/14/2020

Circumstances: COVID-19

## **Gregory's Contributions in Life:**

Greg was a graduate of Kennett High School. He served in the Delaware Wing Civil Air Patrol as a youth, where he discovered his love of Emergency Services. Greg's life work was saving, educating, and mentoring people in all areas of Emergency Response. He worked as an EMT and EMT Instructor for Montgomery and Chester Counties, later becoming a paramedic in 1984. He served at many places, most notably Southern Chester County Rescue, Kennett Fire Company, Trans Care, and American Medical Response. He was currently a critical care medic for Tower Health. In his free time, he enjoyed Star Track and Monty Python movies.
