

Gloria Gordon

Paramedic

FDNY EMS

Brooklyn, NY

End of Service: 09/10/2021

Circumstances: World Trade Center Illness

Gloria's Contributions in Life:

Gloria "Gigi" Gordon began her career with the NYC Health and Hospital Corporation as an EMT. After the NYC Health and Hospital Corporation and FDNY merged she continued her education becoming a Paramedic. Gigi later was promoted to Lieutenant and was described as "someone who would put others before herself." She was many things to many people including, friend, mentor, confidant, "sun goddess," advisor, and wife. Gloria spent many months at the WTC on the rescue and recovery efforts. After retiring she relocated to Florida where she remained a dedicated NY Mets fan.
