

Robert Johnson

Paramedic

Upton fire department

The Villages, FL

End of Service: 10/15/2022

Circumstances: Job related cancer

Robert's Contributions in Life:

Robert worked for Worcester EMS, AMR, and Woods ambulance before transitioning to fire service. Bob worked with many towns like Southbridge Call Department and Dudley and Sturbridge before finishing his career at Upton Fire as the EMS coordinator. He was awarded EMT of the year and established first paramedic level in Upton Fire. After being diagnosed with cancer, his passion for helping others continued when he moved to Florida where he was a deacon of his church, a member of the medical response and risk management teams and participated in several Bible studies. He was a NEMSMBR Wingman for 3 years on the Kentucky Route (now called Southern) and the Colorado Route.
