

Andrew L. Beck

EMT

Kecksburg VRS

Mount Pleasant, PA

End of Service: 01/22/2022

Circumstances: COVID-19

Andrew's Contributions in Life:

Andy dedicated 7 years as an EMT and volunteer firefighter. He was passionate about teaching kids and future EMS volunteers to get involved. After following in the footsteps of his grandfather, he volunteered to improve his community's safety. Friends, coworkers, family and community members remember Andy as having a heart of gold, being a giver of life, someone who would do anything asked of him, and the only one to pick up someone's spirits when all others had walked away. The community lost a wonderful young man and volunteer when Andy took his last call and will always miss his big smile and cheery greeting.
