

Allen Mandeen

Paramedic/CRNA

Sedgwick County EMS

Wichita, KS

End of Service: 05/26/2018

Circumstances: Mental Health Complications

Allen's Contributions in Life:

Allen worked with the Sedgwick County Fire Dept. in the late 1980's. He became an EMT and then a Lieutenant/Paramedic during the 1990's. He was also an EMT instructor through Hutchinson Community College in Hutchinson, KS. He made learning fun for his EMT students, but also required precision and accuracy back in the "paper ticket" days. It was said that he never liked watching SNL (Saturday Night Live) on shift as he would always get a call within three minutes of turning it on. Allen was known as a "muscle car" guy and sold cars while obtaining his RN in 1999. In February of 2009, Allen became a Nurse Anesthetist.
