

Will Richeson

Dispatcher

Care Flight / REMSA

Reno, NV

End of Service: 09/29/2022

Circumstances: Died Unexpectedly

Will's Contributions in Life:

Will loved a lot of life. That included Family, music, San Francisco sport teams, and Star Wars. He played in a band where he wrote and sang, then learned to play the banjo, harmonica, and piano. William Arthur double majored in Philosophy and English in college. As a scuba dive instructor, he worked at the Sierra Dive Center. His passion was teaching and once in the medical field he thrived. First as an AEMT on a rig. Then William found his way into REMSA Communications where he became a preceptor, part time sup and ultimately an Air Communication Specialist for Care Flight. Will was proud to give of his skills and to serve the community he lived in.
