Drake's Contributions in Life:

Drake loved his children and wife with his whole heart. He always went above and beyond to make sure everyone was okay. Drake was a great protector, provider, and looked up to be so many. He was one in a million. He enjoyed going out to eat, was very outspoken but could steal your heart and be a prankster all in one. If you were having a bad day, he had a way that would brighten any face. Drake Adams will leave behind a void not only within his family but the entire community.
