David's Contributions in Life:

On December 23, 2022, Rock Hill Fire Department Firefighter/Paramedic David Campbell lost his life in a tragic car accident on his way to work. David spent his life serving others as a firefighter, paramedic and a proud member of the South Carolina National Guard. He has volunteered and worked at multiple fire departments and EMS agencies in the area and was a vital member of each of them. While David loved helping others, the thing that gave him the greatest joy was his family. David leaves behind a wife (Mandy) and two children (Raelyn and Ryker) whom he adored more than anything. He loved taking his kids on all sorts of outdoor adventures but he most enjoyed fishing and hunting with them. His children were his world and this loss has left them with a massive void.
