## **Andy's Contributions in Life:**

Andy Cutting was an outstanding husband, friend, firefighter, paramedic, and human being. He celebrated life through love for his wife Karla, family, music, travel, and service. He began his life of service as a medic in the Australian Army and met Karla on a trip to the U.S. which brought him to Chicago where he dedicated himself to her and a career in EMS. He joined the Skokie Fire Department on 9/5/2001. Andy was dedicated to Karla and his SFD family. He had a great sense of humor, was a great musician, storyteller, firehouse cook and driver of Truck 18. Andy was an amazing friend!
