Andrew's Contributions in Life:

Andrew Enderes was a native of Staten Island, New York and was a paramedic with the New York City Fire Department for 25 years, before his retirement. He always said he was raised in the wrong part of the country, so he and his wife had planted roots in South Carolina. He created his own oasis at "Drew's Brew and BBQ," where he welcomed all friends and family to come together. His biggest joy was his family. He was so proud of the home he created for his family.
