Ellen's Contributions in Life:

Ellen Marie Hadley was a dedicated AEMT who served her community for 17 years while working for Sedan Area EMS. She lived passionately for her 4 children, and you could always find her house full of kids, love, and laughter. Ellen was the favorite Aunt to her nephews, who lit up everytime she walked into the room. Besides spending time with her amazing family, Ellen enjoyed the outdoors where she could often be found enjoying the sand between her toes and a fishing pole in her hand. Ellen is survived by her 4 children Braden, Emily, Connor, and Titan, her Fiancé Stephen and his daughter Piper.
