## **Bonnie's Contributions in Life:**

Bonnie was a strong-willed southern woman who loved the beach, animals, daisies, historical places & bike riding. She went to college later in life to follow her passion of helping others by becoming a paramedic & spent 14 years with Hamilton County Emergency Medical Services (HCEMS) where she was the 1st female paramedic on the bike team. She taught numerous classes to students and was National Registry certified. Bonnie met the love of her life while working for HCEMS and was married for 19 years until she unexpectedly passed away from health issues. She's also survived by her 2 kids and 2 step kids.
