

# Gilbert “Gil” Medina

Paramedic

FDNY EMS

New York City, NY

End of Service: 9/28/2023

Age: 65

Circumstances: Medical Event

## **Gil's Contributions in Life:**

Gil began his career in NYC EMS in 1977 when the City Hospital System {HHC} was in charge of the service. He was a First Responder at the WTC after the terrorist attack. He was the type of officer you could open up to and was trusted and respected throughout the department. Gil worked his way up the chain of command to retire as a captain in 2003. Even after retirement, Gil was instrumental in bringing CSU into the department. Outside of work, he had two beautiful daughters Janine & Tara and 2 grandchildren Christopher & Isabella who he adored. He loved the outdoors, especially camping.
