

Patrick P Michael

Paramedic

North Chicago FD

North Chicago, IL

End of Service: 11/13/2023

Age: 64

Circumstances: Mental Health Complications

Pat's Contributions in Life:

Pat was a devoted father. He always put the needs of others before his own. Pat always had a smile on his face and behind that smile was unconditional love. He supported not only his family but also his friends. Pat had a successful 36-year career as a FF/Paramedic at Bonnie Brooke, Winthrop Harbor and North Chicago Departments. He also enjoyed his life outside of work, spending time with family and friends enjoying activities that he loved. He was a role model for his children and grandchildren, exemplifying the value and importance of hard work, dedication, and heart.
