Houston, TX

End of Service: 3/9/2023

Age: 49

Circumstances: Cardiac Event

Nahit's Contributions in Life:

Nahit was born in Pazar, Turkey and moved to New York after he graduated from college with a degree in mechanical engineering. He met his wife, Marie Anisca-Oral, an Iraqi Army veteran, in Brooklyn, New York, where they got married. Nahit and Marie never had children, but they had a few animals that they loved dearly. After college, he worked as an engineer on a long-distance cargo vessel, as a truck driver, a bus driver, and a superintendent. Nahit also wanted to reflect his love and benevolence for people and animals into a profession. After moving to Texas in 2016, he became a firefighter, and an EMT. He was assigned to Fire Station 93. Nahit also received the Academic Excellence Award for Fire Academy Class 2020-Alpha. He touched the lives of many people and loved being a firefighter.
