Chris's Contributions in Life:

Chris was a strong leader and a good man,” said General Secretary-Treasurer Frank Lima. “His death is a loss for Minnesota fire fighters and all IAFF members. His legacy is one of standing up and always fighting to make our profession better and our members safer. May perpetual light shine on Brother Parsons, his family, and his fellow Local 21 fire fighters. Chris was a constant fixture at the state capitol, building relationships on both sides of the aisle so he could be a better advocate for his fellow IAFF members. He was a great union leader who didn't just fight for MN.
