Glenda's Contributions in Life:

After graduating high school Glenda became an EMT and paramedic and began working in a Dr's office as an MRI Tech. She later earned bachelor's in human resources and moved on to become a paramedic for Sussex County in 1991 and retired as a supervisor in 2016 after 25 years of service. Her coworkers at Sussex County became her second family and there she formed many life-long friendships that she cherished. In 1993 Glenda married the love of her life, Mike Pusey, and were married for almost 30 years. They enjoyed spending time riding motorcycles, antiquing, and collecting old cookbooks. Glenda loved the outdoors and hunting with Mike. Her memory will live on in the hearts of those who know her.
