Jason “Skippy’s” Contributions in Life:

Skippy began his career in the fire service in 1999 at Spring Branch Volunteer Fire Dept. and continued with Canyon Lake Fire/EMS where he rose from the rank of FF/Paramedic to Battalion Chief where he proudly served for over 20 years. He adored his wife Kerrie and his sons Merrick, Ethan and Kullen. Skippy also loved his fire family, golf, spending quality time with friends, his Mustang, and the Seahawks. He was a fighter that overcame so many adversities. Skippy absolutely loved serving his community and helping teach anyone who wanted to learn. His contagious smile lit up the room instantly. Skippy was a master of all things and never had a task too big to complete. He strived for excellence and only wanted the best for his sons, friends, colleagues, and family. Skippy’s knowledge was a true gift to many, and he made the world a better place because of it.
