

Patrick George Walker

Paramedic

FDNY EMS

North Massapequa, NY

End of Service: 12/31/2023

Age: 62

Circumstances: World Trade Center Illness

Patrick's Contributions in Life:

Patrick spent over 30 years serving the residents and visitors of NYC as a paramedic, then as a Lt in the FDNY EMS. He had a wife, fellow paramedic/RN Lisa and three stepchildren who he adored with all his heart. Respected throughout the department, he showed understanding, compassion, & Empathy to his patients and the members of the department, which followed him into his everyday life. A 911 First Responder. He was passionate about animal rescue and protection, especially Pitbulls. Patrick has gone as far away as Ohio to bring rescued animals from an abusive environment to their new homes.
