

2025 Sponsorship Opportunities

Each year, riders from across the country come together to participate in the ride, which spans five events conducted in different regions, including an event in concert with the National EMS Memorial Service Weekend of Honor. These events offer a unique opportunity to pay tribute to fallen heroes and raise awareness for the ongoing work and challenges faced by EMS providers nationwide.

By becoming a sponsor, your organization will not only be supporting this important cause but also gain visibility in a network of EMS professionals, first responders, and community leaders who deeply value the work we do. Your sponsorship helps fund the ride, the National EMS Memorial Service, and scholarships for the families of fallen EMS workers.

We would be honored to have you as a sponsor for the 2025 National EMS Memorial Bike Ride. To learn more and secure your sponsorship, please use the link below to register:

If you have any questions or would like additional information, please don't hesitate to contact us. We look forward to partnering with you in honoring the brave men and women of EMS.

Thank you for your consideration and support.
