

Adam Finseth

Paramedic

Burnsville Fire

Savage, MN

End of Service: 02/18/2024

Age: 40

Circumstances: Other

Adam's Contributions in Life:

Adam joined that Army, shortly after 9/11, where he served 2 tours in Iraq. He met his soulmate, Tara just before leaving on his first tour. They emailed each other as often as they could and wrote in a journal that they sent back and forth. They married 8 months after Adam returned from the second tour. Four years later their children, Liam and Nora, were born, the lights of his life. Adam and his family loved exploring and going on new adventures. Adam earned a degree in Fire Science/Paramedicine, working for multiple agencies before settling down at Burnsville FD. Adam served several teams including the Ice/Water Rescue and SWAT. His immense caring and loving attitude left an impact on this world, although he would never admit to it!
