## **Miles' Contributions in Life:**

Miles, the youngest of three, exuded joy and a contagious smile. He was a member of the Robotics Team and National Honor Society in high school, graduating with honors in 2002. He continued his education at The Ohio State University, studying business and graduating with honors. He then moved to Minnesota for his career, working for Super Valu, JJ Taylor, and Optum Health. Joseph joined the Eden Prairie Fire Department in 2015 and became a full-time firefighter with the Eagan Fire Department in 2020. He loved fishing, kayaking, dancing, singing, and especially riding his motorcycle across the U.S.
