Tappahannock, VA

End of Service: 03/20/2025

Age: 20

Circumstances: Ambulance Crash

Jacob's Contributions in Life:

From the early age of four, Jacob knew he wanted to become an EMT, and while many children's dreams changed over time, his never wavered. His passion for emergency medicine grew stronger each year, and through hard work, determination, and compassion, he proudly achieved that goal. He was dedicated to helping others and serving his community with care and professionalism. Outside of work, Jacob was known for his infectious smile, quick wit, and kind spirit. He deeply loved his family, valued his friendships, and had a remarkable ability to make everyone feel seen, heard, and genuinely cared for.
