Courtney's Contributions in Life:

Courtney was a devoted paramedic with Metropolitan Emergency Medical Services for 18 years. Known for her compassion, clinical skill, and unwavering dedication, she earned the deep respect of her colleagues and the gratitude of countless patients and families. Beyond her career, Courtney found joy in life's simple and creative pursuits, especially fishing and building intricate Lego sets, often sharing those moments with her children and friends. She also helped co-found Emergency Medical Fishing alongside her EMT partner, Nick, blending her love for the outdoors with her commitment to community and connection. Courtney's legacy lives on through her service, creativity, and the lives she touched.
